

Hi, this is Tim and Jim from Gus's 2 Pizza and Grill Home of Vandy's Cuisine

We are in the Harbor Shops in Havre de Grace. We would like to take this time to invite you to our establishment. We welcome you to eat in, carry out or we will also deliver to your home! Our mentor is Gus from Gus's Pizza and Grill. He is one of the original pizza shop owners still operating in Harford County. He has been in business for 30 years in Edgewood. His food is terrific!

We have eaten in a lot of places in our lifetime. It is hard to find GREAT FOOD at a GREAT PRICE with a GREAT ATMOSPHERE. Well, this is where you will find it all! We will have Gus's entire menu of Pizzas, Subs, Sandwiches and Salads as well as Vandy's Cuisine Menu, to mention a few... Tim's Award Winning Cream of Crab Soup. Yes, award winning, I guarantee it is one of the best, if not the BEST cream of crab soup you have ever had and our CRAB CAKES will knock your socks off!

Not to mention our Seafood Linguini, it's the BOMB!
From Aberdeen to Havre de Grace to Perryville there is no one place you can find a great Crab Cake or at least one to write home about, but with my crab cakes it will get that letter started... and we will supply the paper and pen.

**We could get-cha once, but our goal is to
have you as a customer for life.**
